## Baptisms

### Sunday 31st May

- Baptisms during the Sunday celebration!
- Malcolm Kayes (picture below) from Coign Church Woking will be joining us for the day. He has been leading the Coign Church since 1991 and has seen it grow from strength to strength!

We've come to the end of the 'Just Walk Across the Room' series! Hopefully it has inspired us and encouraged us to step out and share in other people's lives, praying for an opportunity to share our lives with them and when we do to speak with compassion and courage.

With this in mind, its great for us to be able to tell others our story, from before when we were far from God, to where we are now, being called His children and heirs with Christ.

If you'd like help with your ~100 word testimony, have a go and send it to [graham@liverpooljubilee.org.uk](mailto:graham@liverpooljubilee.org.uk)
